Spiderbait

I can see you want to know is this the disco
Well, dust off your lampshade 'cause it's time to serenade
I'm alive again like a long lost friend and the state I'm in?
Well, I used to be thin
You want to tell me what your looking for

Gonna smash it up like a wrecking ball
I got my fingers moving just like Barney McCall
You want to tell me what your looking for

You can't shut me down because iem on a roll once I liked the s
crew-ins
Now its moulded sole
