

Touch me up I'll burn your house down
So remember this time again
I'll avoid asphyxiation
Thought I'd jump down in the ocean

Now I'm busting up in my mind
So remember this place again
Trust my instincts now that I'm slow
I forgot that there was time to go

Knowing I'm aware
Feeling alright
Now I gotta say

Go !

Touch me up I'll burn your house down
So remember this time again
I'll avoid asphyxiation
Thought I'd jump down in the ocean

Now I'm busting up in my mind
So remember this place again
Trust my instincts now that I'm slow
I forgot that there was time to go

Rah !

Yeah !
