## Spiderbait

You took your washing by  
I took you out one night  
But you left me all alone  
I started walking  
You looked around my way  
I saw you yesterday  
Still working on the hay  
You started walking  
Right out the door  
You looked enough in my face  
I wanted more

Do-do  
Once a lifetime easy  
Once a lifetime  
Once a lifetime  
Want nobody  
Need nobody  
Do-do  
It's so easy for you  
It's so easy  
Now you never see me  
'Cause it might make you remember

I'm not enough for you  
You like to tell me too  
It's time to get away  
You started walking  
You looked me in the eye  
Just once to say goodbye  
I left you all alone  
I started walking  
Right out the door  
I've seen enough of your face  
Don't want no more

Do-do  
Once a lifetime easy  
Once a lifetime  
Once a lifetime  
Want nobody  
Need nobody  
Do-do  
It's so easy for you  
It's so easy  
Now you never see me  
'Cause it might make you remember

You wanna get where you got to go  
You're gonna push on the road with the running show  
And everybody wants to know  
If you're gonna get it  
Get it  
Get it  
Get it  
Get it  
They got the shits with you months ago

Well nothing turns out like you want it to  
Still everybody wants to know  
If you're gonna get it  
Get it  
Get it  
Get it  
Get it  
Get it  
Get it  
Get it  
Get it  
Get it  
Get it  
Get it  
Get it  
Get it  
Get it  
Get it  
Get it  
Get it  
Get it  
Get it  
Get it  
Get it  
Get it  
Get it  
Whoa  
Whoa  
Whoa  
Whoa  
Whoa  
Whoa  
Whoa
