

Wake up in the morning
I take my toast in bed
New day is dawning
I watch you cook an egg
I feel kinda lazy
I wish I could get up
Egg's a little runny
But that's OK

I feel like talking
Or dancing on the floor
I like the way you're walking
Walking out the door
I'm looking out the window
Watch the cars go by
I feel kinda sleepy
But that's OK

Wake up in the morning
I take my toast in bed
New day is dawning
I watch you cook an egg
I feel kinda lazy
I wish I could get up
Egg's a little runny
But that's OK
