

PINK LEMONADE

spill tab

Tight knees
Falling right down
Onto the concrete
Into the couch
It's no ease here on the ground
Bashing my head in
Pouring on out like

Pink lemonade and berry stains
I'm all out of juice, I'm dry as cake
Pass me the crusty bandy-aid
And rush me to Kaiser Permanente

Tight knees
Falling right down
Onto the concrete
Into the couch
It's no ease here on the ground
Bashing my head in
Pouring on out like

Pink lemonade and berry stains
I'm all out of juice, I'm dry as cake
Pass me the crusty bandy-aid
And rush me to Kaiser Permanente

You're in the home while I'm in the house
Crashing the windows, burning it down
Say that you see me, say it out loud
Beg your attention, pouring on out with

Pink lemonade and berry stains
I'm all out of juice, I'm dry as cake
Pass me the crusty bandy-aid
And rush me to Kaiser Permanente

Funny how you think you're winning now
Really did you think you'd make it?
Wonder where your head is headed now
