

When U Call

spill tab

Hurry but drive safe
Fast in the slow lane
Breathe over my name

Don't write me an essay
Text me your E T
Aching to see me

No I'm not good
I'm crackin' up at my seams
When u tell me

When u call me
Why do u call me late
Why do u call me
At midnight

Simple
But difficult
The reason
Is physical
This attraction
Is action based

Simple
But difficult
The reason
Is physical

When u tell me

When u call me
Why do u call me late
Why do u call me
At midnight

When u call me
Why do u call me late
Why do u call me
At midnight

When u call me
Why do u call me late
Why do u call me
At midnight
