One time for the one time (one time)
Two times trippin your mind (two times two times)
Three eyes trippin my brain
360 with the eye sight
If it's bound to happen then it's gonna happen
I was always dreaming way before the rapping
You been in a daze way before the napping
But I keep the peace Benji. get it cracking
Wake up gotta get my mind right
Meditating gotta get my mind right
Couple phillies gotta catch on my flight
Pass the dutchie after puffing it twice
Pass the dutchie to the left hand side
David Ruffin in the light when I slide
Thugger Thugger bumpin heavy in the ride
Gas light when I'm down from the high
Regarde moi faire ma danse
Parlez vous francais
Do you speak my french
Watch me do my dance
Elevated record for the conscious
Single minded niggas got me nauses
I been on the way up with the Loch Ness
Keep it under water for the caution
Why you deep diving for the monster
Stop it you don't really want a problem
Can't nobody ever try and stop me
Dread heads waiting in your lobby
All my niggas waiting in the lobby
Checking IDs in th lobby
Ain't nobody qualified to stop me
I'm just having fun with it

Uptown, Southside, Mount Up, Alright

You take the good you take the bad
You take them both and there you have
The facts of life
Fresh prince and all that jazz bougie girls with all that ass
That ass is tight
See the world inside the glass

Broke the box and left the class
Regurgitation never missed it
Pick the lock inside the system
Do what makes you happy pimpin
All that glitters isn't gold
All that flexing for the gram
Damn that shit be getting old
Mark your shit like fucking spam
Niggas swag surfing in the spirit
Electric sliding in the atmosphere
Looking at myself up in the mirror
Thanking God a nigga got a beard
Still riding round town in a Hyundai
Still litty from the weekend on a monday
Lil mamma tryna get it on her birthday
I'm just tryna give it to her in the worst way
Couple Grammy's in the bag by 30
Throw a party at the pub on a Thursday
Show love to my niggas from the way back
Tell the world Burgh niggas got the playback
Cus everyday niggas fade on me
Too fake just to hate on me
Can't skate on me
I'm unpaid but I pay my peace
Cus one day you gonna pave my streets
How many times a nigga tell me they gonna take care of me
We in the city but my jack don't ring
But when I'm up you gonna ask for flic just to show my teeth
Like lil Benji. nigga you my G
Nigga please
