

God Complex

Spineshank

Bury the one I used to know
The memories fading
Feels like an endless suicide
Degenerating

Withdrawal (Withdrawal), rewrite (rewrite)
You're overcompensating
Suspend (Suspend), belief (belief)
Your faith is so persuading

Anger (God complex)
Anger (God complex)
Anger (God complex)
Anger (God complex)

Destroy your God and bleed out

Just skin the soul expose the core
And medicate it
Then rape the heart and be the whore
You animate it

Devise (Devise), destroy (destroy)
These dreams have long but faded
It's true (It's true), it's pure (it's pure)
It's not just real, it's all I know

Destroy your God
Destroy your God
Destroy your God
Destroy your God

Anger (God complex)
Anger (God complex)
Anger (God complex)
Anger (God complex)

Destroy your God and bleed out
Destroy your God and bleed out
Destroy your God and bleed out

Destroy your God and bleed out
Destroy your God and bleed out
Destroy your God and bleed out
