

# Stronger Than Your Pain

Spirit Adrift

Deeper realm of understanding  
Wisdom far beyond belief  
Source of power never ending  
Open your eyes and you'll see  
Ever sharpening the blade  
Disassociating from time  
Purifying inner state  
Escaping the prison of mind

You remain  
Stronger than your pain  
You remain  
Stronger than your pain

Open up the gates of hell  
Feel the ego melt away  
Sanctuary of the self  
Now it is lighting the way  
Conquering annihilation  
Impossible to defeat  
Erase entire generations  
Humanity obsolete

You remain  
Stronger than your pain  
You remain  
Stronger than your pain

You remain  
Stronger than your pain  
You remain  
Stronger than your pain
