

## Chump

### SPIRIT OF THE BEEHIVE

Every day you sink like a chump  
You are a new age waster, don't forget my name  
Shaking hands in the parking lot of CVS was all you've got  
When I walk you home, you spill your guts  
Reminisce on bone dry experiences  
Got no lease on life, it takes a sucker to punch  
But you're a chump  
So where do you fit in to?
