

# Trust Fall

Spiritbox

You look alive like there's color inside your skeleton faces  
I'm sorry I'm so familiar, I forget that we're changing  
This is a trust fall, I couldn't commit  
This is a trust fall, I couldn't commit  
You look alive like there's color inside  
You wither away

If you could see me now

I'm not the one who disconnected  
To hurt someone was never my intent-ions are wrong  
Were you affected?  
No, I'm not the one who disconnected  
To hurt someone that was never my intent-ions are wrong  
Were you affected?

It was an arbitrary kill  
(Awake when I'm dreaming)  
A loosened heart corrodes the shield  
(Count the bones in the ceiling)  
Why are we arguing to feel  
(Awake when I'm dreaming)  
A loosened love?  
The chambers heal  
(Count the bones in the ceiling)

If you could see me now  
I'd hold you responsible  
I'm awake when I'm dreaming  
Count the bones in the ceiling

You look alive like there's color inside your skeleton faces  
I'm sorry I'm so familiar, I forget that we're changing  
This is a trust fall, I couldn't commit  
This is a trust fall, I couldn't commit  
You look alive like there's color inside  
You wither away

Cemetery in me  
Cut my bones, crystalline  
Skeleton marrow key  
Cemetery in me

You look alive, your apathy betrays you  
Cadaver lungs I know you cannot breathe in  
You disconnect but your bones remain  
It's the same damn thing  
It's the same damn thing  
To cut my heart, survive on muscle memory  
Obscure the vampire feeding off my energy  
I feel the key turn across my soul and I know

If you could see me now  
You'd catch me in the death spiral  
If you could see me now  
(You look alive like there's color inside)  
(You look alive like there's color inside)

You'd catch me in the death spiral  
(You look alive like there's color inside)  
(You look alive like there's color inside)  
If you could see me now  
(You look alive like there's color inside)  
(You look alive like there's color inside)  
You'd catch me in the death spiral  
(You look alive like there's color inside)  
(You look alive like there's color inside)  
If you could see me now  
(You look alive like there's color inside)  
(You look alive like there's color inside)  
You'd catch me in the death spiral  
(You look alive like there's color inside)  
(You look alive like there's color inside)
