

The Prize

Spiritualized

Time

Lends you her shotgun for a while
Gonna be shooting like a star across the sky
Gonna burn brightly for a while
Then you're gone

And maybe

It's not too late to change your mind
But I don't know, dear
If love will live or if it'll die
And I don't know if love's a lie

And time

We've got a life and life's a prize
But I don't know, dear
If love, dear, will fall or if it'll rise
And I don't know if love's the prize

And maybe

It's not too late to say goodbye
But I don't know, dear
If love, dear, will care or if it don't mind
And I don't know if love's the prize
And I don't know if love's the prize
And I don't know if love's the prize

And maybe

It's just impossible to know
If I should stay here with you, dear
Stay or if I should go
And I don't know if love's to know

And maybe

I should get down on my knees and say
That I don't know anything or anymore
Than anyone else today
And I don't if love's the way

And maybe

You've got your dreams but rest assured
There's a whole lifetime ahead of you
To dash them on the shore
And I don't know if love's the cure
And I don't know if love's so pure
And I don't know if love's the prize
