

# History Never Repeats

Split Enz

History never repeats  
I tell myself before I go to sleep  
Don't say the words you might regret  
I've lost before you know I can't forget

There was a girl I used to know  
She dealt my love a savage blow  
I was so young, too blind to see  
But anyway that's History

I say history never repeats  
I tell myself before I go to sleep  
Don't say the words you might regret  
I've lost before you know I can't forget

You say I always played the fool  
I can't go on if that's the rule  
Better to jump than hesitate  
I need a change and I can't wait

History never repeats  
I tell myself before I go to sleep  
And there's a light shining in the dark  
Leading me on towards a change of heart

History never repeats  
History never repeats

Deep in the night, it's all so clear  
I lie awake with great ideas  
Lurking about in no-man's land  
I think at last I understand

History never repeats  
I tell myself before I go to sleep  
And there's a light shining in the dark  
Leading me on towards a change of heart

Never repeats  
Never repeats  
Never repeats  
Hey, hey, hey
