

Holy Smoke

Split Enz

Holy smoke good God almighty
Vandals, murderer and thieves
I just woke up with the strangest feeling
there's someone here with me

Feel my heart
The fear of God written in my face
In the dark
Over there by the fireplace
The shadows fall much too close for comfort

Here all night the sun deserts you
Dark skies overhead
Candles lit and measures taken
Brave new worlds we tread

Feel my heart
The fear of God written in my face
In the dark
Over there by the fireplace
The shadows fall much too close for comfort

It's all I can do to keep from running away
Get me out of this place
Too young to lose
I've been sleeping with one eye open too long

Feel my heart
The fear of God written in my face
In the dark
Over there by the fireplace
The shadows fall much too close for comfort
