

Freak Boy Part 2

Spock's Beard

I'm a freak boy
I'm a freak boy
I'm the milk left out until morning

I'm a freak boy
Everlasting
I'm a bomb set off without warning now

I'm a freak boy
I'm a freak boy now

On the street now
Barely breathing
They don't call me snow it's too charming

Somehow I still
Have some feeling
Like a dog you best not alarm me now

I'm a freak boy now
I'm a freak boy now
I'm a freak boy now
