

Is This Love?

Spock's Beard

Break my heart
Break it like you mean it
Cause you won't get another chance
Steal my thunder
Suck the air out from my lungs

Tear me down
Throw me in the garbage
Get some gasoline and light a match
Turn me into ash
Or I might be comin' on back

Is this love
Is this lovin' how it's done?
I can't get I can't get enough of you
You make it so much fun fun fun

Am I a lunatic?

Beat me up
Yell at me in front of your precious little friends
Shut me out
Don't listen to a word I say

I got nothing
Brewin' or discovered
Just you and your pretty face
So pull me under
Squash me like a bug as I'm runnin' the race

Is this love
Is this lovin' how it's done?
I can't get I can't get enough of you
You make it so much fun fun fun

Am I a lunatic freak guy?

Oh... you oughta know
You oughta know
I won't let go
I won't let go
You oughta know
I love you so
