Strange World

Spock's Beard

Mary was on Face The Nation
Sunday morning ten o'clock
It's a very strange world
In a very strange time

Jimmy makes a handsome living
Juggling weapons in the park
It's a very strange world
In a very strange time

And so it goes slowly down the road
And so I say - I got no friends today

The bomber got his manifesto
Published in the New York Times
It's a very strange world
Got some interesting minds

Advertising pays more than a lot
While the teacher's selling pies in the parking lot
It's a very strange world
With some well hidden crimes

I didn't know life could get so cold
I didn't see - I thought they were all like me

It's a very strange world
But I think I like it

I didn't know life could get so cold
I didn't see - I thought they were all like me
And so it goes slowly down the road
And so I say - I got no friends today

Mary went to Face The Nation
Sunday morning ten o'clock
It's a very strange time
In a very strange world
