

Remember The Day

Spoken

VERSE 1:

Your heart whispers goodbye now
It's time to face the truth
Your secrets aren't safe anymore
All of the memories
All of the time
You've wasted but you just keep begging for more

PRE-CHORUS 1:

Tell me what can I do
To make you see
That you speak a lie
With each breath that you breathe
Tell me what can I say
To show you love
And life is a treasure
A gift from above, Oh

CHORUS:

Will you look back at your life
And see everything you learned of love
Will you remember the day
You gave your life away

VERSE 2:

The times where you'd give anything
All that you had was your pride
All of the memories, all of the time
Stop for a moment and take back your life

PRE-CHORUS 2:

Tell me what can I do (What can I do)
To make you see (To make you see)
That you speak a lie
With each breath that you breathe
Tell me what can I say
To show you love
And life is a treasure
A gift from above, Oh

Will you look back at your life (All of the memories, All of the time)
Will you remember the day (All of the memories)
You gave your life away (All of the time)
Your secrets aren't safe anymore
Stop for a moment and take back your life

Tell me what can I say
To show you love
And life is a treasure
A gift from above, Oh

OUTRO:

Will you look back at your life (All of your memories)
Look back at your life (All of the time)
Will you remember the day (All of the memories)
You gave your life away (All of the time)
