

Walk Away

Sponge Cola

I took a step away
And I kept right on walking
I don't think I'll ever be back this way again
And hear your endless complaining
I should know by now
That I'm better off somehow
That there's nothing left to do but walk away
Walk away, walk away, walk away
From all this

I know that I should hate you

And all the things that you stand for
This may sound funny but I want you
I want you to know that I thank you
For everything that you put me to
Yes I know it sounds funny but thank you
Now there's nothing left for me to do
But walk away
Walk away, walk away
From all this
