Seniorita, Posporo, La Mesa Dam

Random Spanish words like Antonio Banderas

Met up with her in Cantina(it's about you girl)

Had six to nine margaritas(yeah)

I was there, shorty had a familiar face

And it was on his neck, his hands on her waist

Tryin' to restrain her, but no, she was havin' her way

and She took a ride on the spaceship in the basement

Wait, blame it on the alcohol

Thing is the dame was so vulnerable and out of control

She could have been anyone's ex, it was random y'all

But it's a small world after all, and right now well

it's about you girl, it's just about you girl

it's about you girl, it's just about you girl

YY: Girlfriend ko na'ang ex-girlfriend mo

CM: Teka lang medyo awkward to

YY: Girlfriend ko na'ang ex-girlfriend mo

YY: Sayo nalang ex-girlfriend ko

YY: Girlfriend ko na'ang ex-girlfriend mo

CM: Teka lang medyo awkward to

YY: Girlfriend ko na'ang ex-girlfriend mo

YY: Sayo nalang ex-girlfriend ko

Maybe one day we will be friends again

Till then i'll be missing you my friend
