

## Chameleon

Sponge

I sing lullabies to the insane  
I got your number on  
You are on my jukebox  
Touch your tombstone at your grave

I will sing you a lullaby  
I will sing you a lullaby  
Good Lord  
We need you more than you'll need me

A poet, a toilet, a chameleon  
I sing lullabies to you like a cheap comedian  
I sing, we dance on cheek to cheek, yeah  
And two leopards as harmless as exploded sheep  
As harmless as exploded sheep

And I sing lullabies to the unfit  
Pay me in your tears and spit  
I sing lullabies to those  
Too ran-down to relive it

I can kiss on your ass  
You can kiss on my feet  
And you up and talk me down  
We need you more than you'll need me

A poet, a toilet, a chameleon  
I sing lullabies to you, my freaks, comedian  
I sing, we dance on cheek to cheek yeah  
And two leopards as harmless as exploded sheep  
As harmless as exploded sheep

I will sing you a lullaby  
I will sing you a lullaby  
Good Lord, we  
I will kiss on your ass  
You can kiss on my feet  
And then you up and talk me down  
We need you more than you'll need me

A poet, a toilet, a chameleon  
I sing lullabies to you like cheap comedian  
I sing, we dance on cheek to cheek yeah  
And two leopards as harmless as exploded sheep  
As harmless as exploded sheep
