

Glue

Sponge

What kind of man put a gun in his hand
Wags his tail like a dog for his dinner?
What kind of man put a gun in his hand
Make that man ain't no saint, ain't no sinner?
What makes a man break away from the chains
That keep him from being a winner?

Don't push me away (8x)

Leave me dying on the side of the road
Now I'm talking to God, I really feel it

I'm screwed down and I'm glued down just like a fucking insect
I'm screwed down and I'm taking something's life for make my he
roin
I'm screwed down and glued down

I'm just a man like any other man
Give away his son or his daughter
Yeah, I'm afraid that we've all been betrayed
We're all pigs just led to the slaughter
I was a man that fought best he can
To keep his head above water

Don't push me away (8x)

Make you wishing that you are all alone
Is everybody losing their minds? Somebody, tell me

I'm screwed down and I'm glued down just like a fucking insect
I'm screwed down and I'm taking something's life for make my he
roin
I'm screwed down and I'm glued down just like a fucking insect
I'm screwed down and glued down

Get it, worms

(2x)

Push me away

Don't push me away (3x)

I'm screwed down and I'm glued down just like a fucking insect
I'm screwed down and I'm taking something's life for make my he
roin
I'm screwed down and I'm glued down just like a fucking insect
I'm screwed down and glued down
