Hard to Keep My Cool

Sponge

Band, song: Sponge, "Hard to Keep my Cool"

So hard to keep my cool when I'm around you baby,
It's so hard to keep my cool when I'm around you girl,
Know that I'm your man, and I want to be inside your world,
It's so hard to keep my cool when I'm around you girl.

I start acting like a fool when I'm around you baby,
I dog-haul at the moon when I'm around you girl,
It ain't hard to understand, how you do these things to your man,
Hard to keep my cool when I'm around you,
Hard to keep my cool when I'm around you,
Hard to keep my cool when I'm around you girl.

It's so hard,
Which is completely out of mind,
And I'm feeling I'm your man,
It's so hard,
And I'm loosing all control,
And it's damaging my soul,
And it gets so hard (and it gets so hard)!
And it gets so hard (and it gets so hard)!
And it gets so hard (and it gets so hard)!
And it gets so hard (and it gets so hard)!

Captain I need your attention,
I just wanna make ammends,
I'm a slave for your affection,
You know I am ;)
I just wanna spend some time with you,
Do everything that true loves can do,
I just wanna get next to you ...
Yeah!!

It's so hard to keep my cool when I'm around you baby,
It's so hard to keep my cool when I'm around you girl,
So hard to understand how you do these things to your man,
So hard to keep my cool when I'm around you,
Hard to keep my cool when I'm around you,
Hard to keep my cool when I'm around you girl!

It's so hard,
Which is completely out of mind,
And I'm feeling I'm your man,
It's so hard,
And I'm loosing all control and it's damaging my soul,
And it gets so hard (and it gets so hard)!
And it gets so hard (and it gets so hard)!
And it gets so hard (and it gets so hard)!
And it gets so hard (and it gets so hard)!
