

Lead

Sponge

Lead, dead as lead
Rainin' lead all over me
Lead, I'm as dead as lead
Rainin' lead all over, lead all over me
Tell me why
Tell me why, life has passed me by
My brain is dead
Rainin' lead, it's rainin' lead all over me
Please tell me why
Lead is pickin' on me

Lead, I'm as dead as lead
Rainin' lead all through my veins
Lead, so they said
Made me anti-social, completely impossible
Tell me why
It took so long to recognize
Why it's rainin' lead, why it's rainin' lead
Why it's rainin' lead all over me
Please tell me why
Lead keeps pickin' on me

I'm feelin' stupid (repeat x3)

You can't blame it on me

It's in my water (repeat x3)
You can't blame it on me

For feelin' stupid
Don't call me stupid
For feelin' stupid
You can't blame it on me

It's in my water (repeat x4)

Lead, dead as lead
Rainin' lead all over me
Lead, I'm as dead as lead
Rainin' lead all over, lead all over me
Tell me why (Tell me why)
It took so long to recognize
Why it's rainin' lead
Why it's rainin' lead
Why it's rainin' lead all over me
Please tell me why
Lead keeps pickin' on me
Dead as lead
I'm as dead as lead (repeat x6)
