

Here I Lived So Well

Spooky Tooth

Somebody broke the garden gate
The insect fighter came too late
A birds that sat up on the door
Have turned to ravens evermore

And here I lived so well
Before it died

A flower blooming every day
As let the weeds come out to play
A gayble's reaching for the sky
Just sit on top and don't know why

And here I lived so well
Before it died

It died, it died
The try that used to holy swing
Can barely hold the ...

So this one...
Soon to be elected on the spot
A seven story...

And here it lived so well
Before I died
