

## Jubilation

## Spooky Tooth

I believe in God , almighty father  
Maker of heaven and earth and all things  
Visible and invisible

I believe in Christ the begotten son  
Born of the father before time began  
[?] thy true God

Begotten of me one in substance  
The true Lord here all things worthy  
For us and for all salvation he came down  
He came down from heaven

I believe in god almighty father  
Maker of heaven and earth and all things  
I believe in Christ the begotten son  
Born of the father before time began  
I believe in God the almighty father  
Maker of heaven and earth and all things  
I believe in Christ the begotten son
