

## Love Really Changed Me

Spooky Tooth

Turning around, coming up from the town In which you found me F  
illed with delusions and self-persecutions around me Somebody g  
ot to say hello (I need somebody) Somebody wanted me to know th  
at you wanted to be what I'm needing and Love really changed me  
Love really changed me

So be gone all the wrong ??????? desire for me I belong to a wi  
ser man inside of me We love another Really ???? like me

Racing the feet How's the man that is weak getting stature? Cha  
sing a rainbow How few really see that they catch her Somebody  
took my fear from me (I need somebody) Somebody showed me just  
how free I could be I'm in sea of tranquility Love really chang  
ed me Love really changed me

Take me...
