

Moriah

Spooky Tooth

Moriah
Princess of the water
Where have you gone
Where do you come from
Now mother
She told me
You cry in the night
'Till you wake the sun
Moriah
Princess of the fairland
Calling you please
Allways on the run
You go pass
My doorstep
Sweep in the hills
'Till the day is done

Spirit of the open sky
I can hear you cry

Moriah
Wild and so free
Moriah
How I long to be
For a minute like you
Sometimes Moriah

Moriah
Spirit of the open sky
Open my mind
To the change
That's got to come
I've been waiting
To join you
You and I
To have a ball

Spirit of the open sky
I can hear you cry

Moriah
Wild and so free
Moriah
How I long to be
For a minute like you
Sometimes Moriah
