

Sunlight Of My Mind

Spooky Tooth

Sunlight of my mind
Shine your light on me
Sunlight of my mind
Sign of life in me
I can see through water
Through the other side of sea
Sunlight of my mind
Witness inside me
Sunlight of my mind
O shine your light on me
I can climb so high
I can see so deep
Sunlight of my mind
O shine your light on me
Mill of life still turns
But desire finds my peace
Sunlight of my mind
Got me through the stormy sea
Pleasure, pain, loss and gain
They're all the same to me
Sunlight of my mind
Set spirit in me free
Sunlight of my mind
O shine your light on me
I can climb so high
I can see so deep
Sunlight of my mind
O shine your light on me
I'm so tired, so inspired
I'm a starlight stream
