

## Two Time Love

Spooky Tooth

Give me money give me love  
Take these heartaches I got plenty of  
Take my hand lead me away  
Take the sunshine from life  
Don't ever let me see a day like today  
Yeah, I'm busted and I'm blown away  
Give me anything but your two time love  
I'm crying almost dying  
give me anything but your two time love  
You gave no reason you gave no sign  
I found you sleeping with a friend of mine  
Yeah, I'm busted and I'm blown away  
Give me anything but your two time love  
I'm crying almost dying  
give me anything but your two time love  
I'm so downhearted it's a crying shame  
I got to leave here I can't stand the rain  
Yeah, I'm busted and I'm blown away  
Give me anything but your two time love  
I'm crying almost dying  
give me anything but your two time love
