

Revenge

Spoon

I've gone out of my way
Big, blank slate every day
Big, blank canvas staring at me every day

Revenge
Revenge
Revenge

Pushpin stuck in
I've got stuck in
The word's out
I'm not sure where I am
How I'm going to get back where I am
What the real purpose is
What I want, what I want to reveal
Stuck in Dallas with the Lavallette
Got a blank canvas staring at me like a set
I fucked up and now I just wanna get

(Revenge, Revenge, Revenge) I'm not sure where I am
(Revenge, Revenge, Revenge) How I'm going to get back where I am
m
(Revenge, Revenge) What the real purpose is
(Revenge, Revenge) What I want, what I want to reveal
