Hotline

Spose

Out of work, in at nine, out at five, on your mind all the time
Call my line, hotline, hotline, hotline, America online all night
Drink a Monster, grab a coffee, nonstop
Whole life go-time, low price, mind pop
Cell phone, house phone, Dow Jones, dial tone
Tombstone, milestone, by alone, die alone
Ryan's home, I don't know, gotta go, vamanos
My bad, drive fast 'til I crash

Beep, beep, beep, beep

SOS, a extra, extra, tell Alexa, get the oil, Tesla coil
Bigger dick, bigger ass, bigger tits, big business, Mixelplix
Fix your face, keep the bass, rat race, rat race
Forget the cheese, M's and G's, SOS, hotline, hotline, hotline
Live fast, Bitcoin, gold rush, apple pie, get cash
Back to die, act surprised, think fast, whiplash, big blast

Beep, beep, beep, beep, beep, beep, beep

Ships are dockin', hear 'em? Fox is watchin'
Walkin', poppin', lockin', droppin' moccasin
Dialect deleted, ended English, Spanish
Frenchmen, tension risin', men are dyin', multiplyin'
Slaves arrivin', raped, forgotten
Pick the cotton, master's watchin'
Uncle Sam and Sally [?] people talkin'
Heard he's rapin', there's a hangin'
Things are changin', children cages
Tiny wages, buy the land, playin' favorite
We won't make then microwave it

Beep, beep, beep, beep, beep

Welcome to America
Our specials today include apocalypse, for $9.99 a month

Build a garden, burn a buildin', target markets
[?] cars are parked, the days are darker, Ant-i-arctic
Grab your parka, Orca sharks
And harbor fade without the barber
Left with [?] lurkin', nothin' left to barter
Break your armor, this is karma
Started in a starter hat to take it farther
Had to make it larger, Godforsaken father
Take the blanket off her, let's go make an offer
This is [?] coffin' rockin'
Hotline, hotline! (Hotline, hotline, hotline!)
Comments carved the canyon, UFOs are landin'
Play the hand like Cam and Sandy, head of bandits
We are not in Kansas, this is not at random
It was like we planned it, wiped us off the planet
Belly's full, we famished, gave us all the trees
Disease and famine, what was that? They wonder
Had to dig up under, what will they discover?

Beep, beep, beep, beep, beep
