Humans Reprise

Spose

```
You better run
You better run
You better run
You better run
You better run
You better run
You better run
You better run
You better run
You better run
You better run
You better run
You better run
You better run
You better run
You better run
You better run
You better run
You better run
You better run

(I, I, I, I, I don't)
```
