

# I Will Let You Down

Spouse

I'm way better with people who I don't know  
If you've ever been close to me then I know you know  
I will let you down, I'll let you down  
I'll disappoint you, hold my beer

I never had a girlfriend who I didn't disappoint

Shane said I'm a dick and my wife agreed  
I make people wanna leave when they're close to me  
Friendships in ruins like the Mayans  
But they love me at the drive-thru when I drive in  
Ryan J. said that he doesn't think I work hard enough  
And I was pissed at him but maybe he's right  
I've been jealous of Cam, tried to one-up him  
He bought a camera so I bought the next model up

I know I know I'm like this  
But the trash guy thinks that I'm the nicest  
All my old friends think that I'm ISIS  
I'm a victim of all of my vices

I will let you down, I'll let you down  
I'll disappoint you, hold my-  
I'm way better with people who I don't know  
If you've ever been close to me then I know you know  
I will let you down I'll let you down  
I'll disappoint you hold my beer

She said, "You're so arrogant, there's many witnesses"  
But I helped an old lady carry her conditioners  
She think that I'm chivalrous, but if you ask my homies  
She gon' probably end up hating me if she had got to know me  
Interrupted, , man no wonder they abhor me  
Always talking over people tryna tell my better story  
I'm nice to all the special needs kids and good with children  
But anybody who has been with me has left the building

I will let you down I'll let you down  
I'll disappoint you, hold my beer

I will let you down down down  
Down down down  
Down down, down down down  
I will let you down down down  
Down down down  
Down down, down down down  
Will you be my best friend?  
I don't got a best friend  
Will you be my best friend tonight?

I've never had a girlfriend who I didn't disappoint  
I don't know, I don't know why I'm like this  
But my mail lady thinks that I'm the nicest  
All my old friends think that I'm ISIS  
They're victims of all of my vices

I will let you down I'll let you down

I'll disappoint you, hold my beer
