

## Oh, Hey

Spose

"Oh hey, oh hey, I didn't see you there, haha  
Welcome to sunny Wells, Maine"

When I say Spizzy, you say Spose!  
Spizzy! (Spose!)  
Spizzy! (Spose!)  
When I say Spizzy, you say Spose!  
Spizzy! (Spose!)  
Spizzy! (Spose!)

"When I rip a bong I move the water like Moses"  
Spose

"But they say that Spose kid is dope with his mouth"  
"From Wells, like the girl from The Ring, but no bling"

"Heineken-chugger acknowledge how it goes down"

More canned store-brand spam, bologna sandwiches

"But they say that Spose kid is dope with his mouth"

"But I stuff White Owls, call it taxidermy"  
Spose

Aww yeah, aww yeah

I spit it for my pot heads, smoking out of cantaloupes  
Even for a rich chick, stuck up like a camel toe  
Who showed you want it means to live?  
My rhymes tighter than the jeans on scenester kids  
I wanted to get rich, but I got broke first  
Been thin, skin color of Oakhurst, a dope verse  
Well, that is guaranteed if you're with me  
Or you just got rims on your ATV  
I rocked a sold out show, I lost my voice  
The next day a little weezy, but not the hot boys  
I step into a party, I'm smelling like low tide  
Guys give me high-5s and the girls know why  
Oh my, who's that? Spose and I'm back  
Pdank in the bank, dutch drank in my grasp  
At last, still drugs, girls, liquor  
Big flicks in the whip with the Sugarloaf sticker  
Until we retire we'll be flyer and higher than Peter Pan  
If you want to be the man, just be me and Cam  
Damn, Wells, Maine for the record  
Flannel shirt checkered  
We smoked it all
