Sieve

Spose

Give me the love
I'm lookin' down, never lookin' above
I made a seagull up out of a dove
Pickin' the scraps out the trash, I came back all in black for the drug
I can't connect to the plug
I need the sex and the buzz
I need the checks and the hugs
Give me a chance to prove that I'm worth
That I'm worth somethin' now
I've been hurt, I've been curved
I've been burned to the ground
Fill me up, fill me up
Yeah, I'm feelin' really good
For now!

I can't stop feelin' like I'm not enough
My cup's a sieve, I just can't fill it up

Give me the light
It's gettin' dark early every night
I need the likes, I need the Mongoose logo on my bike
In my photo, I'm rollin'
I'm rollin' on bikes, I'm in a fight
Started a band, started to write
Gettin' revenge, did it in spite
Before fatality down on the spikes
I would lie, lie, lie, lie
Lie to your face
Just to touch, just to heal
Just to feel the embrace
I'm bleedin' out, bleedin' out
Bleedin' out, I just need one more
Of you!

I can't stop feelin' like I'm not enough
My cup's a sieve, I just can't fill it up
I can't stop feelin' like I fucked it up
My cup's a sieve, my cup's a sieve
My cup's a sieve, I gotta fill it up!

Hole in me
Hole in me
I can't stop feelin' like I'm not enough
My cup's a sieve, I just can't fill it up (Go!)

I can't stop feelin' like I'm not enough
My cup's a sieve, my cup's a sieve
My cup's a sieve, I gotta fill it up!

We, uh, we came here once before in 1991
And we played a place called Zoots
We played this next song about... 50 people who didn't seem to care very muc
h
So I'm sure you were all there
Hope you enjoy it
