

## Who Dat

Spose

Pretty good with these raps here  
See I was waiting tables here late last year  
And now they want my autograph and I'm like "that's weird"  
Because I still rock cotton, no cashmere  
Suicide bombers out in pakistan, rapist in the congo  
Meanwhile I watch Paul Pierce pass to Rondo  
Schnoz like Gonzo, hurts self-confidence  
But dudes can't see me like they only got consonants  
Get it? like they got no "I"s  
I say audacious shit, it's greeted with "oh my"s  
Oh geez, yeah, you guessed it  
Got a sack of rhymes fatter than that girl from precious  
Moving on up so I got new stresses  
New bills put in my name like two S's (Spizzy Spose)  
Sat at my desk wrote raps and passed tests  
My turn to school 'em now on who's the bestest  
Eyes on the prize, hands on the guest list  
Crossing names out so that I can keep my checks big  
Like fake breasts and they think I'm just reckless  
And staying lit like the fucking sign for the exit

Who dat? Who dat?  
Spose, Maine  
Who dat? Who dat?  
Spose, Maine, insane in the brain

Look, we didn't have money at the start (fucking broke!)  
My circle was at the bottom like a question mark  
It was back when we would park outside of Xtra-Mart  
And beg dudes to buy us beer while we waited in the car  
Break out the flashlight, I'll tell a couple stories  
Of some good time shit and stuff that's abhorrent  
I don't give a fuck, download it from a torrent  
And then play that shit back to me when I become boring  
Like who dat, who dat, Spose, Peter Sparker  
I heard you do work while I do work harder  
They want my trade secrets, but I do not barter  
These guys are Devry online and I'm Harvard  
I watch them fading while they're hating Spose  
Cause I got it all, like a trading post  
Regular clothes, but stick out like a boner  
When I put lines on paper like I'm running out of toner  
Dough like Homer, so I'm feeling really grand  
Yeah, it's real again, your shit is really bland  
And I need not conceal my plans  
Cause sunburns couldn't make you appealing, man
