

## Vacant Freestyle

SpotemGottem

Off-White G Nikes with a graphic tee my sauce it just be crazy  
He mad, he seen my DM, I was dickin' down his old lady  
I'm in a space coupe right now, she hop in this bitch she said it's spacious  
Getting brain inside the double R, the curtains closed baby  
Hit they spot up so many times, we done turned that bitch vacant  
My wrist cost a elbow, your wrist boy look naked  
Her coochie is a little fatter out them jeans mama let me taste it

Tweet that I'm a muhfuckin' tweaker right now ride on anything'  
Spread yo legs I think I need peanut butter without the spread  
I'm a breadwinner, golden retriever when I get the bread  
A loose fucking screw, I'll never use my fucking head  
I'm so hard headed, that's even what my mama said  
Hop with a stick baby let me blitz, I'm like yeah go  
All in her pussy all night she like damn yeah  
I ain't even pop no perki and I'm lastin'  
I keep goin', I might use the trojan or the bare skin, freaky leak  
Come on baby you can be my sneaky link  
Riding with this dirty pole, it's known to put niggas to sleep  
I been rolling all week, black cars Cherokees  
Tinted up rentals, R.I.P.s  
What else, put that boy to fucking sleep  
Spread my wings so I can fly  
If I do die let me be free  
Rollin' round with my dirty iron, with my dirty fie you know that's just me  
Miss my brother till this day, I swear they need to free Ali  
Understand I'ma keep it G  
I'm a man, that's how it be  
Hold my heart inside my hand, if they try to crush it put em to sleep  
Honestly let me be me  
Anyways I'mma still be free  
Anyways they been startin' me  
I've been going like a Porsche, she say you one of them boys  
In the back of the club with my toolie she know it  
I'm so itching to blow it  
I'm a bastard child, I ain't really have my dad  
I was growing, I had a big ego, so I came out bad  
Than a motherfucker, they was handcuffin' me at 12 years old like fuck em  
Riding with this 30 piece I'm tryna catch a double  
C cups on the bottom of that bitch I do not scuffle  
Ridin' around with money in my bag check the duffie  
I'm armed and dangerous I'm rich and famous now  
Oh she want to fuck cause she luxury
