You won't get it in the right - time now you get it fast - fast check out the new taste - taste we've got no time so we have to haste. Right - in time now you get it fast - fast check out the fresh taste - taste we've got no time so we have to haste.

When you like it fast we are the right address, here you get the sounds for real, and without stress, I'm restless when I wann a bring this sound on, I switch on my microphone - alright - listen to the beat and I shout out words with full speed, this is what makes me complete, without a beat I'm incomplete, I need the sun in my back and the streets in front of me, and I need you, just follow me, then we can be away but still on spot, AWAY BUT STILL AROUND

Now we are away - but still around come along with me, then we can be - away but still around we represent our sound - worldwi de so you have to listen to, the waste of our style - the waste of our style

You won't get it in the right - time now you get it fast - fast check out the new taste - taste we've got no time so we have to haste. Right - in time now you get it fast - fast check out the fresh taste - taste we've got no time so we have to haste.

If you wanna lean back, it's the wrong address, here you get the old stuff with a new taste, here you get an old piece with a new face, this is how I use the time, which I don't waste - alr ight - I've got no time so I have to haste, I build a puzzle with the words and ready is an old track with a new taste, check out the new taste, check out the fresh taste, check out the fresh shness, if you like it fresh we are the right address, if you want a fake track we are the wrong address, here you get the sounds for real and without stress.

Away - but still around come along with me, then we can be - aw ay but still around we represent our sound - worldwide so you h ave to listen to, the waste of our style - the waste of our sty le  $\frac{1}{2}$ 

The waste of our style is, not to show knowledge, the waste of our style is, not to show skills, the waste of our style is, wh en we don't show it, the waste of our life is, when we don't live it
