

## Black Sheep

.sPout.

I'm not to lead, we're not to lead, six black sheep are rolling  
with a beat, sure not stolen, sure not old, this beat is like  
pure gold, this beat hampers me of getting old, this beat makes  
me going on, on and on, from dusk till dawn. Life is the provide  
r it feeds me with stories, I'm telling you

Black sheep don't need a leader, black sheep are not to lead, l  
et me repeat, black sheep are not to lead, we don't need a lead  
er, black sheep are not to lead, let me repeat, black sheep are  
not to lead

We don't wanna lead you, we don't wanna beat you, we just wanna  
feed you, with that story, which is brand new, no one wants to  
lead you, no one wants to beat you, no one wants to tell you w  
hat you got to do, we give the groove to you, with a song which  
is brand new, brand-new is this creation, we don't need naviga  
tion, we just need conversation, that's all we need.

Chorus

Six black sheep are rolling with a beat, six black sheep are no  
t to lead, six black sheep are rolling with a beat, that's all  
we need.

Chorus

no - we're not to lead no - we're not to beat no - we're not to  
lead no - six black sheep are not to lead black sheep are not  
to beat
