

## People

.sPout.

Some people say, that I don't get along, when I keep on going t  
his way, some people say that there will be a time when I have  
to stay, they say that I walk on the wrong way, they say that t  
hey know which way to go, they say that I should wait for anoth  
er day, but I say that I don't wait for another day, but I don'  
t care what they say, they say that I should look out for anothe  
r way, they say that they know what's best for me, they say th  
at this biz is no place for me to be, they say that they see wh  
at I see, they say that it ain't reality, they say that I'm los  
t in a dream, that I'm just swimming with the stream, they say  
that I'm wrong when I think I'm right, they say that I don't se  
e the truth, they say it's the wrong way I move, and if I don't  
want to slam, I should stay where I am.

I don't care about this piece of advice - advice -, I don't nee  
d those lessons in life. This is my point of view, this is my s  
tatement, I defend this attack I raise my shield, my lyrical sh  
ield that's what I raise and now I'm sure that I'm secure.

I cannot shut my mouth, I cannot close it, I can't keep it clos  
ed, I don't wait until my time will come, this is my time, my t  
ime runs up, this is our time.

I know which way to go, I know my place to be, I know what I ha  
ve to do and I do it now, check out what I'm doing, break throu  
gh. I say that I keep on going this way, I think the time is fa  
r away when I've got to stay, I say that I don't go the wrong w  
ay, I say that I know my way to go, I don't wait for an other d  
ay, I don't look for another way, I only know what's the best f  
or me, I only see what I see, and it's reality, I'm not lost in  
a dream and I don't swim with the stream.

I don't care about this piece of advice - advice -, I don't nee  
d those lessons in life. This is my point of view, this is my st  
atement, I defend this attack, I raise my shield, my lyrical sh  
ield is what I raise, now I'm sure that I'm secure,

I'm secure - you can be sure, that I'm secure - in every case,  
I'm secure - you can be sure, that I'm secure.
