Shockwave Surfers

.sPout.

Elefants in a porcelainstore style .sPout.core. shockwave hip hop file

when I check my microphone – that means that I'm on stage when I'm on stage – it's like you let me out of a cage wild animal style – on my face you can see a smile when I check this shockwave file – which lives in my "headcave" I'm a "soundslave" – part of the "rhymefactory" .sPout.core. brewery worse rhymes go down the sewery and never come back – it's a high quality track it has passed my quality control – straight out of my soul heavy rhymes – overload – loaded like a bomb – ready to explode it's a mind explosion – my head is like an ocean where I dive check the shockwave ride – of the .sPout.core. five we're getting high by life – follow me to the highlight – push away the strife and ride with the "highfive" if you feel the shockwave – ride it if you feel nothing leave it this shockwave follows no course those with "sleepy feet" we visit first the wall of dullness is what we burst

(chorus) follow the shockwave – let it take you away follow the shockwave – into a new day follow the shockwave – let it take you away follow the shockwave – follow us

shockwave surfers – ride across the surface from here – to there about our blast-radius we don't care

(chorus)

diamond needles and wheels of steel 45 rpm keep it real

enjoy the .sPout.core. shockwave ride you can trust me – everthing is allright switch of the light – here is nothing to see here is something to hear – I come through the microphone with food for your ear let it grow in your brain – forget the pain let this shockwave take you away this is why I'm standing here – to the five surfers – I appear add one to five like a puzzle piece together we can do this I see it in your eyes – a shockwave ride is what you miss can you see the blast-radius of us – of us it is not the first the wall of dullness is what we burst

(chorus)

shockwave surfers ride across the surface from here to there about our blast-radius we don't care shockwave surfers ride across da surface from here to there to everywhere

(chorus)
