SPRINTS

Trickle down the back, like a rat
Don't you know I used to live here?

Face no welcome back,, down the hatch
Don't you know I used to love here?

Abandon all hope, hang the rope
Don't you recognise my face no more?
Abandon all hope, crack a joke
Don't you recognise my taste no more?

Heave, heave, ho
Time moves slow
I don't grow old
I grow unrecognisable

I used to live here
I used to-
