

Can't Get Enough Of It

SPRINTS

This is a living nightmare
And I am living so scared
And I can't speak, and I can't dream
And I can't sleep, and I can't leave
This is a living nightmare
And I am living so scared
And I can't speak, and I can't dream
And I can't sleep, and I can't leave

This is a living nightmare
And I am living so scared
And I can't speak, and I can't dream
And I can't sleep, and I can't leave
This is a living nightmare
And I am living so scared
And I can't speak, and I can't dream
And I can't sleep, and I can't leave

And I can't speak, and I can't dream
And I can't sleep, and I can't leave
And I can't speak, and I can't dream
And I can't sleep, and I can't leave

I still shiver every time I hear the door shut
I still quiver every time I hear your name
I still shiver every time I hear the door shut
I still quiver every time I hear your name
I still shiver every time I hear the door shut
I still quiver every time I hear your name
I still shiver every time I hear the door shut
I can't get enough of it

Throw me in the corner and lock away the key
I swear this is the last you'll ever hear from me

I still shiver every time I hear the door shut
I still quiver every time I hear your name
I still shiver every time I hear the door shut
I still quiver every time I hear your name
I still shiver every time I hear the door shut
I still quiver every time I hear your name
I still shiver every time I hear the door shut
I can't get enough of it

This is a living nightmare
And I am living so scared
And I can't speak, and I can't dream
And I can't sleep, and I can't leave
This is a living nightmare
And I am living so scared
This is a living nightmare
And I am living so scared
