

Need

SPRINTS

Is it getting hot and heavy
Or do you feel a little something
Call me pretty, call me beautiful
And then tell me I mean nothing
'Cause I'm pulling them out
And I'm pulling them in
I'll stand in one place
I'll win them over again
Won't you tell me you love me
Won't you tell me what's wrong
Won't you tell me you love me
Please tell me you love me

Because I need, I need, I need you
I need, I need, I need you
I need, I need, I need you
I need, I need, I need
I need, I need, I need you
I need, I need, I need you
I need, I need, I need you
I need, I need, I need

Do you like what you see
Do you know what you need
I know the physical is critical
Would you like me to bleed
I'm tearing away at myself
I'm tearing away at my skin
Putting pressure on top
And I'm falling within
I don't know where I'm going
I don't know what I'm doing
Will I just fucking shut up and sing

'Cause I need, I need, I need you
I need, I need, I need you
I need, I need, I need you
I need, I need, I need
I need, I need, I need you
I need, I need, I need you
I need, I need, I need you
I need, I need, I need

Because I need, I need, I need you
I need, I need, I need you
I need, I need, I need you
I need, I need, I need, I need, I need, I need, I need
I need you
To leave me the fuck alone actually
Please
Thank you, see you later
