

Shaking Their Hands

SPRINTS

It's been a long day
It's been a long night
It's been a long life
It's been a long day
It's been a long night
It's been a long life

And I'm counting the minutes until the clock strikes six
I'm counting the minutes until the ceiling hits
I'm counting the days
And I'm counting the minutes until the clock strikes six
I'm counting the minutes until the ceiling hits
I'm counting the days

And I'm shaking their hands
And I'm shaking their hands
And I'm shaking their hands
And I'm shaking their hands

It's been a long day
It's been a long night
It's been a long life
It's been a long day
It's been a long night
It's been a long life

And I'm counting the minutes until the clock strikes six
I'm counting the minutes until the ceiling hits
I'm counting the days
And I'm counting the minutes until the clock strikes six
I'm counting the minutes until the ceiling hits
I'm counting the days

And I'm shaking their hands
And I'm shaking their hands
And I'm shaking their hands
And I'm shaking their hands

And I'm shaking their hands (And I'm counting the minutes until the clock strikes six)
(I'm counting the minutes until the ceiling hits)
And I'm shaking their hands (I'm counting the days)
And I'm shaking their hands (And I'm counting the minutes until the clock strikes six)
(I'm counting the minutes until the ceiling hits)
And I'm happy as I shake their hands

And I'm counting the minutes until the clock strikes six
I'm counting the minutes until the ceiling hits
I'm counting the days
And I'm counting the minutes until the clock strikes six
I'm counting the minutes until the ceiling hits
I'm counting the days
