

## Ticking

### SPRINTS

Maybe I should do it better  
Maybe I should try it harder  
Maybe I should check the weather  
Maybe I should bring a sweater  
Maybe I should cut my hair off  
Maybe I should cut my hair off  
Maybe I should cut my hair off  
Maybe I should cut my...

Maybe I should pray to der Retter  
Mutter, Vater, Geschwister

Am I alive?  
Am I alive?  
Am I alive?  
Am I alive?  
Well, am I alive?  
Am I alive?  
Am I alive?  
Am I alive?

Because there's ticking and there's ringing in the backs of my ears  
And I don't know if I am livin' or I'm just livin' here  
And I don't know to make it better, is that possible?  
And I don't know if I go harder, is that better at all?

And they'll take it away  
They'll give you one, another, and they'll take it away  
They'll give you one, another, and they'll take it away  
They'll give you one, another, and they'll take it away  
They'll take it away, they'll take it away, they'll take it away
