

## Love Will Tear Us Apart

Squarepusher

When routine bites hard, and ambitions are low  
And resentment rides high, but emotions won't grow  
And we're changing our ways, taking different roads  
Then love, love will tear us apart again --

Why is the bedroom so cold? You've turned away on your side  
Is my timing that flawed - our respect run so dry?  
Yet there's still this appeal that we've kept through our lives

Love, love will tear us apart again --

You cry out in your sleep - all my failings expose  
There's a taste in my mouth, as desperation takes hold  
Just that something so good just can't function no more  
When love, love will tear us apart again --
