

Diagnosis

Squash

Regular me sit down and me cry to me self
Yeah me feel cut up anuh slice anuh bread
Me nuh know feel like dem gone wid me strength
Demons surround me and a cry fi me vent

Me nuh heal yet (sick)
No me nuh heal
Me nuh heal yet (wounded)
Jah Jah know who feel me nuh heal yet
No me nuh heal me nuh heal yet
Aye Bobby

If me tell you somethings weh gwan you wouldn't believe
Me deh yah inna Iceland cold and a freeze (tuff)
Tears me a shed cah me pree too deep
Have me mind pan somethings weh me really wah free
God a say fi calm and eh demon a stay
Me left hand a say life and eh right say fi squeeze
Emonationally rip up me lost out a love
5 pack a cigarette a day a work pah me lungs
Loyalty cyaa find nothing real dan di durgs
Wah real dan me drugs yeah me feel like me numb
Nothing real like me gun and me weed and me rum
Yeah me deh bellow di zero yo a freezer me turn
Money neven make me happy yo me feel like me done
Jah know

Regular me sit down and me cry to me self
Yeah me feel cut up anuh slice anuh bread
Me nuh know feel like dem gone wid me strength
Demons surround me and a cry fi me vent

Pressures in life
Man ha fi stand up and fight though (brave)
Me bring di tource like di pyro
Me mental sick diagnose (yeah)
Me a rep eh 6ix till me eye close see when me dead
Give me Hennessy and white rose
Legends never die I'mma be right bor (live)
Nah dead fi now my child's grow
As a killer me cyaa fraid fi dead me open people head
Me make di zig deh beat and a repeat eh lead
Torment me paranoid me have a evil meds
Some things me see gwan me ha fi pree me friend
Nuff a dem a sweetie men dem nuh real within
Bobby all deh boy deg switch me wah you deal wid him (corrupt)
You see dem pick dem side we ha fi pree killing
Nuff a dem pussy ha fi dead love nah no meaning

Me nuh heal yet (sick)
No me nuh heal
Me nuh heal yet (wounded)
Jah Jah know who feel me nuh heal yet
No me nuh heal me nuh heal yet
