

My Letter

Squash

She take up knife stab off a me
Say she can't do it no more
Yow, me just a see your message you know
[?] me and you go married
Did in a the studio a record
Why pree?
Okay, dawg me love you, you know
Me nah tell no lie
Me can't even pretend brother
Me a tell you dawg
Like me love you head over heels
Yuh fuck dawg, a true
More while, when you see me lowe you alone
A just certain things me meds
And me a say, you know say me no want that nigga yah mad me
And me just lowe you
But me head over heels with you dawg
Like the slightest little thing where you do
It bride me dawg (Bride me dawg)

We left and we there back (Mhm, yeah)
Me pree deep when you say that (Uh, mhm)
We both can do better (Mhm)
We stick together forever (Yeah)
Let's talk about it whenever (Mhm)
Know sometimes you get so fed up (Oh, yeah)
I'm in the street chasing the cheddar
Emotionally writing this letter

I wanna tell you that I love you (Mhm)
I wanna be around you
Tired of being lonely, I wanna fuck you
Hug you in my arms, kiss and touch you, yeah
I wanna tell you that I love you (Oh, yeah)
Wanna be around you
Tired of being lonely, I wanna fuck you
Roses are red, violets are blue

When me used to sleep out a night time
Babes you have me up
Call me 'pon me phone, me haffi laugh because you bad me up
Reach in, you a grab me up
Say you a go stab me up, yeah
Say a bag a loose girl a road me have a fuck
Wha' day you tell me say you have a new man
You nearly give me heart attack
You make me lift up all me gun
You make me fire shot
Your brother did a give me bare tough chat
But me sorry say me knock him with a half a block
We know we say we left more than ten time
You tell me say me no spend time
Me kiss me teeth, drive off
You fling a big stone and mash out the Benz light
Me pree different so you know me meds high
Me pack up me things them and exile
'Cause you know in a yourself me no take style

But me love you

We left and we there back (Mhm, yeah)
Me pree deep when you say that (Uh, mhm)
We both can do better (Mhm)
We stick together forever (Yeah)
Let's talk about it whenever (Mhm)

Wanna be around you
Tired of being lonely, I wanna fuck you
Roses are red, violets are blue

A true like, me love you to the point where me would a kill you
Me a tell you
Love, me love you to the point where me feel like me would a stab you up and
kill you (Kill you)
Me a tell you 'cause me really and truly love you
And me just no feel like say you a go ever pick me
And them sitn' make me get mad, like drive me mad
'Cause me a meds and me a say but look how much me and this a youth go throu
gh and still him can't choose me in a the end
No dawg, me just will kill you and just gone a prison
Go sit down, me no business

We left and we there back (Mhm, yeah)
Me pree deep when you say that (Uh, mhm)
We both can do better (Mhm)
We stick together forever (Yeah)
Let's talk about it whenever (Mhm)
